Technologies used to build: HTML, CSS, JavaScript.
Link to Github : <https://github.com/Wulle91/lucky-7>

Work Experience

Jan 2023 - Present **Code Institute** Student Dublin

- I was in school learning to code.

Nov 2021 – Dec 2022 **Storopack** **Logistics** **Metzingen**

- I was tasked with taking orders not only from local customers but also from various branches of our company spread across the globe, including England, Spain, Italy, France, Switzerland, Japan, Brazil, and the USA
- Organizing shipments through various means such as trucks, trains, airplanes, and ships (containers), strategically deciding which goods should be sent when, where, and how to ensure timely and seamless deliveries.
- I heavily rely on SAP and Excel to streamline processes and maintain accurate records.
- Error handling is an inevitable aspect, and I must address any issues promptly, especially in the case of wrong orders, arranging for return shipments, and handling all associated paperwork diligently.

Jun 2016 - Nov 2021 **Self Employed** **Owner-Manager** **Reutlingen**

- Fully involved in all aspects of the business, from meticulously planning reservations to efficiently managing inventory
- Special events such as Christmas parties and weddings, I took the lead in planning and executing these grand occasions. From conceptualizing themes and decor to coordinating with vendors and staff, leaving detail to chance, ensuring that each event is a resounding success.
- Staying on top of financial matters, maintaining accurate and organized bookkeeping records, and ensuring compliance with tax regulations are vital responsibilities to ensure the smooth operation and success of the business.
- As a restaurant owner, possessing strong people skills is paramount. Creating a welcoming atmosphere where customers feel comfortable and safe conducting business with me relies heavily on effective communication.

Additional Information/Interests

- I am currently working on building my portfolio website.
- Regular engagement on Slack tech forum.
- I am currently building a website for a family member for their family business.
- Fluent English/German/Croatian
- Full Drivers License
